EHI is seeking to appoint an experienced Financial Controller to join the leadership team at Grand Hotel Excelsior Malta — a flagship 5-star property within EHI’s international portfolio. This is a key leadership role within the Hotel, with a dual reporting structure: the Financial Controller will be based on-property as a member of the Hotel’s leadership team, reporting directly to EHI’s Ownership, and working in close alignment with EHI’s Group Finance team.

The successful candidate will lead the Hotel’s Finance function while ensuring full alignment with Group financial processes, systems, and reporting standards. The role offers an excellent opportunity to contribute at both property and Group levels within a dynamic and growing international business.
